REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 CFR \$1.322

Director of the United States Patent
and Trademark Office
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

In proofreading the above-identified Deed of Letters Patent, it has come to our attention that claim 26 of the application has been omitted from U.S. Patent No. 6,624,169 B1 through the error of the Office.

Attached herewith is a copy of the Supplemental Notice of Allowability received from the USPTO in connection with the above-identified patent. As indicated on the Supplemental Notice, claim 26 was allowed. The prosecution history of this application indicates that claim 26 had not been canceled and was omitted from the first Notice of Allowability through Office error. Copies of the first Notice of Allowability and Interview

Patent No. 6,624,169 B1
Page 2

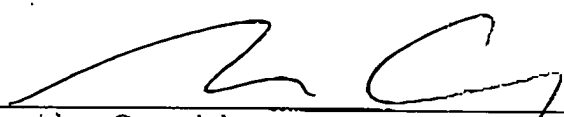

Summary evidencing the Office's intention to grant claim 26 are also enclosed.

Patentees therefore respectfully request that a Certificate of Correction be issued to include claim 26 since it is clearly disclosed in the record that this claim was allowed and should have been printed in the patent. Form PTO 1050 in duplicate is attached herewith, renumbering this claim as claim 15.

Because the failure to include claim 26 is a mistake by the Office, patentees request under 37 CFR §1.322 that a Certificate of Correction be issued without expense to the patentees.

Respectfully submitted,

By
